

Welcome Back

September 2020

CAREER CENTRE NEWS

FP Walshe High School
Livingstone School
Matthew Halton High School

We are off on a fabulous adventure as we start the new school year and I am so excited to be back in the office and supporting students.

With the new school year there are a few changes to services. However, none of the changes will affect working together to create your transition plans.

This year, I will be offering virtual (Students and/or Parents) appointments as well as in person (Students only at this time). To book an appointment you can call or text 403-682-9711 or send me an email bazellc@lrsd.ab.ca.

To book an appointment you can call or text 403-682-9711 or send me an email bazellc@lrsd.ab.ca.

Information for upcoming events (virtual at this time), scholarships, and any other information important to your career exploration and planning will be sent out via the monthly newsletter.

On the bottom of this page you will find a calendar with post-secondary events, open houses, and information sessions.

I am looking forward to reconnecting,
Please stay safe everyone,

Christina Bazell, BA. Med
